

MOBILITY RACKS

Enhance passenger experience by allowing them to freely move throughout train while luggage is safely contained. Our mobility racks are designed to securely store bulky passenger luggage and mobility items such as skis and bicycles.

ENHANCE YOUR PASSENGER'S EXPERIENCE.

Mobility Racks

- Easily installs to side walls and flooring
- Integrated, multi-functional interfaces are configurable to include storage for luggage, bikes and skis
- Combine racks as needed to increase storage capacity
- Multi-functional racks are available in three standard sizes (customizable upon request)
- Easy reconfiguration by changing only the functional interfaces
